Our Last Meeting at the Racquet Club Next Week, Opera Memphis

This past Wednesday we saw the end of an era as we said farewell to the Racquet Club where the East Memphis Rotary Club met for 28 years. Beginning next Wednesday, March 6th, we will meet at Opera Memphis, corner of Kirby and Wolf River Blvd. Hope to see you next week as this change is our journey to new beginnings.

DJ Naylor, Celtic Crossing Scotch Tasting

Larry Colbert has arranged a special meeting for our first meeting at our new location, a scotch tasting by DJ Naylor, owner of Celtic Crossing Irish Pub & Restaurant. Naylor, a native of Ireland, moved to Memphis in 2000 from Boston. After spending more than a decade in the broader business arena, Naylor decided to get back to his roots and develop one of the few things Memphis seemed to be lacking: an authentic Irish pub.

Since 2005, Naylor has provided customers from near and far with a true, across-the-pond experience by serving up dishes that stem back to his mother's kitchen. Celtic Crossing Irish Pub & Restaurant in Cooper Young features Irish musicians and, of course, plays host to elaborate St. Patrick's Day celebrations.

Last Week, February 27th Herbie Krisle

Herbie Krisle from Page Robbins Alzheimer Day Care Center shared information on the differences between Alzheimer's and Vascular Dementia and the care given for individuals suffering with dementias and their caregivers. The Center provides much needed respite for caregivers by providing a safe environment for their loved ones. Herbie says the Center provides stimulating programs for those with memory loss with music, puzzles, entertainment, while embracing joy in the moment focusing not on what has been lost, but on what is now.

2019 RYLA

Terry Dunger reported on the successful Rotary Youth Leadership Academy (RYLA) held last weekend at Whispering Woods. One hundred plus 11th graders from District 6800 attended the two and half day conference where they gained leadership and life skills training. This is one of the most successful programs in the District and East Memphis is heavily involved with several members spending the weekend at the conference.
