June 1, 2022 Don't Go to Shady Grove

Go to 339 Greenway Rd Home of Mark Griffiee

No meeting next week, June 1st, at noon. We will instead meet in the evening, 6 to 8 p.m., at Mark Griffiee's home on Greenway Road for our annual Newcomers Recognition party. Mark will again make his famous Margarita's for our enjoyment along with a Taco Bar and other Mexican dishes.

This event is always welcomed by our new members who anticipate receiving their blue badge. This year we will recognize members over a two year period since COVID played havoc with our plans for the last two years.

A headcount will be turned in on Monday at noon. Your reservation is needed by then. Make Lee happy by calling to reserve your attendance at the party.

May 25, 2022 Paul Chandler, GPAC

If you have not been to the Grove at the Germantown Performing Arts Center, you have missed a great time in a beautiful setting. Executive Director Paul Chandler presented a compelling reason why you should take advantage of the many opportunities available to families. You can take your lawn chair to sit and enjoy a movie on the giant screen or take advantage of the many "Center Stage" events that have been booked for the fall all the way into the spring of 2023.

The Grove was completed during COVID and presented a challenge for GPAC but through their continued use of the outdoor venue they were able to continue their mission of presenting quality and educational programs. Paul said GPAC actually grew during the pandemic as they presented programs whether they had a full house or not. This commitment and the support of the Germantown community provided the opportunity to impact lives.

The line up of events for the fall is outstanding and everyone should take advantage of the cultural and entertaining programs offered by GPAC. The Grove offers concerts, a full bar, family movie nights, festivals and summer camps - there is something for everyone.
