### Merry Christmas and Happy Hanukkah!

### December 7th Annual Christmas Luncheon at White Station Elementary

We can always count on the school to welcome us with open arms and holiday decorations as we arrive for the annual Christmas luncheon at our adopted school, White Station Elementary.

The students performed a medley of Christmas songs for our enjoyment and we must give credit to Mr. Murray, their music director, who has the kids excited to perform and they do a wonderful job. Not only were we treated with songs by the 4th and 5th grades, but this year the 3 and 4 year-olds performed a couple of songs and you can

imagine how adorable they were.

Principal Dr. Bradley Breeden gave an update on the school's activities and plans. This year the school has 800 students, many of whom transferred to WSE when Shady Grove Elementary closed. Dr. Breeden said they have students from all over the county, which speaks highly of the school.

*Always the students are entertaining and talented under the leadership of Mr. Murray*

*The charming lady between Bliss Hicky and Terry Dunger is Dr. Casie Keaton, Audiologist. WSE was her second visit as an East Memphis guest of Bliss Hicky. When asked if we could expect a third visit, she replied that we could expect it if we sent her a membership application. The application has been sent !*
