December 7, 2022 Christmas Luncheon at White Station Elementary

Always a fun meeting, next week we will be at White Station, our adopted school. Not only is it a fun time, the students love performing for us. They work hard to bring us our first feel for the Christmas Season as they perform a musical program. Their talents shine through and we want a large crowd to support them.

Please let Lee know whether or not you will be attending as we will be ordering lunch for everyone.

by Cal Overman

Brian McCurry, Chief Development Officer, with MAM (Memphis Athletic Ministries) shared so much great information with us yesterday about how they are helping to transform the city of Memphis. MAM was founded in 1998 and is an organization that takes our youth under their wings to help them grow, coach, and lead to find their purpose in the community and identity in Christ! Their vision is to see identity found, hope restored, and lives changed! It was so encouraging to hear the stories of kids that have been active in the mission and now working for the organization! What a great impact! Ava Conley joined Brian yesterday to answer any questions around serving and community engagement. Yet again, another great program!!! Thank you to all of our guests that attended, as well. It was a FULL house!

John Ueleke's Smiling Face What Does That Mean?

It means it is time to make your annual pledge to the East Memphis Rotary

Foundation. All you have to do is call Lee and she will add it to your account and send you an invoice so you can pay it in 2022 or at a time you designate. Just let her know your wishes. You will be hearing more in the next few days about the work of our Foundation and how our support impacts the lives of citizens in our community.
