## Happy New Year 2024

While it is not a New Year for Rotary as our fiscal year is July 1 to June 30th, it is a new year for all of us as we look at the new year with hopes and dreams for new beginnings in our personal and professional lives.

2023 brought us new members and a renewed sense of commitment and involvement in club activities. To each of you, we thank you for your contributions to the continued success of RCME.

On behalf of the board, we wish blessings, health and happiness to you and your loved ones.

## New Year Resolutions

My New Year's Resolution: Buy more shoes, drink more scotch, and not worry about the gym. I can keep this one.

Last year's resolution was to lose 20 pounds. Only have 30 to go.

I was going to quit all my bad habits for the new year, but then I remembered that nobody likes a quitter.

Many years ago I resolved to never bother with New Year's resolutions, and I have stuck with it ever since.

You never know who you will run into when you are out on the town. Nina Gourley and Mason Ezzell had a chance to wish each other a Happy New Year as they enjoyed a night out at the Peabody.

New Year*
